

**ISSF WORLD CUP  
SHOTGUN  
LONATO DEL GARDA, ITA  
7 - 17 MAY 2021**

**Issf Regulations for testing and health monitoring methods for COVID-19 for Participating Delegations**

**Mandatory:**

- All members of the delegations must take PCR test 48 hours before departure from their country.
- The delegations must have an adequate supply of masks, gloves and hand sanitizers.
- Masks must be worn permanently while being at the shooting venue in crowded places. Masks can be taken off only while eating.
- Physical distancing guidelines must be followed at all times
- Disposable masks should be thrown out every day and reusable masks washed regularly.
- Upon display of any symptoms, cough or fever, members must seek medical attention a.s.a.p. then self quarantine until obtaining a negative PCR
- All members of the delegation must follow the health regulations established by the Organizers in accordance with the instructions of the health authorities in the host country.

**Advisable:**

- To nominate a responsible person to monitor compliance by members of the delegations of the anti COVID-19 measures and regulations established by the ISSF and Organizers.
- To check daily health condition of members of the delegations and to guarantee isolation of those whose health conditions provoke suspicion of COVID-19
- To immediately inform the Organizers about suspicion of COVID-19 of any member of the delegation.
- To identify and inform the Organizers of any and all individuals with whom that member may have been in contact and take appropriate measures for isolation of all individuals who display symptoms.

**Comments:**

- Athletes can take off the mask only in the shooting position.
- The Technical Delegate can take operative decisions on amendments to the separate provisions of the Technical Rules in case those provisions do not correspond to the anti COVID-19 measures and regulations established in the host country and by the ISSF.
