

**ISSF WORLD CUP
SHOTGUN
LONATO DEL GARDA, ITA
7 - 17 MAY 2021**

NOTICES:

Lonato, 25th March 2021

Dear Friends:

In attach the firearm and ammunition form (annex (8) that replaces the previous one. On this form it is not necessary to indicate the travel information as it is already indicated on the travel forms (annex 4/a and 4/b) which are much more complete and which will have to be updated every time there are changes dates, flights or names.

We remind that for the teams that prefer to avoid crowding areas within the common tent structure even if equipped with dividing walls, private gazebo with a surface of 25 square meters (5 x 5) complete with flooring, table, benches and electrical connection, will be available at the cost of € 1500,00 taxes included.

Teams and who have reserved unofficial hotels must communicate to the O.C. the name and location of the hotel where they will be staying during the Event as well as the dates of check-in/check-out as this information has been requested by the Local Police authorities and by the local health authorities.

Finally, we would like to remind that, always due to Covid-19 the external restaurants could be open for a dinner at table only until 6.00 PM, after which guests staying in hotels without their own restaurant can choose dinner from the menus of restaurant partners in the morning at breakfast and will be served in hotel in the evening.
