Both Trap & Skeet competitions will run on 125 targets by draw + Finals.

At the end of the first 75 targets a temporary ranking will be issued, which will then be divided in two half for designating the belonging group:

The first half of the ranking will compete into "A Group", the second half into "B Group".

Both for Trap & Skeet, at the end of 125 targets we will have two ISSF FINALS, lining up:

- The first 4 qualified out of "A Group" + 1st qualified Junior of "A Group" and the 1st qualified Lady "A Group".
- The first 4 qualified out of "B Group" + 1st qualified Junior of "B Group" and the 1st qualified Lady "B Group".

In case of tie for acceding the Finals, or for the designation of BIB numbers,
a Shoot-Off one shot will be needed.

The money prizes will follow the 125 targets General Ranking.

In case of any tie for assigning the Money Prizes, a Shoot-Off one shot will be needed.

Registrations are open for all shooters and have to be subscribed within WED 11th, OCT by 12.00.
